## KEY

- |                     |                     |                         |
|---------------------|---------------------|-------------------------|
| Camping Area        | Dump Station        | Games Area              |
| 1-115 Powered Sites | Laundry             | Fireplace               |
| Amenities           | Washing Line        | Playground              |
| Kitchen             | 9kg Gas Bottle Swap | Fish Cleaner and Smoker |
| Recycling           | Van Water           | Emergency Assembly Area |
| Bike Hire           |                     | - HUB                   |
|                     |                     | - Park Entrance         |

8 km/h Speed Limit

WiFi is available throughout the park

We're aiming to help reduce waste. Please ensure all recycling is placed in the correct bins. You'll find composting around The Camp too. Please use a bucket for scraps. Wrap all other rubbish and dispose of in bins as appropriate.
